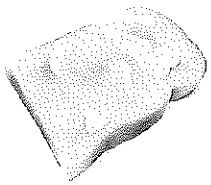
Friday 22nd March 2019

Dear Parents/Carers,



Toast Tuesdays and Thursdays are coming!

As you may or may not be aware, the year 6's have recently found out that their end of school treat will be a visit to the Harry Potter Studios. In order for this trip to go ahead, they have been busy planning fund raising opportunities for the next few months.

The first fund raising idea they are going to introduce is Toast Tuesday and Thursday. After a successful toast break on World Book Day, we want to continue the success by offering every child the opportunity to purchase a slice of toast on a Tuesday and Thursday.

The toast stall will be run from the school hall by the year 6's (supervised by adults) and anybody wishing to buy a slice of a toast can do so for just 20p. The first toast Tuesday will take place on **Tuesday 26th March** during morning break and will then run every Tuesday and Thursday until Thursday 4th July. However, should this become a success we will discuss with the school council in regards to a permanent arrangement.

We do hope you will support the year 6's in their efforts and I can assure you they will appreciate every penny earned!

Yours Sincerely,
Year 6 Pupils and Teachers
