The Friends of Aqueduct Primary School

After the meeting this month the Friends have lots of things planned for this term.

- They are holding a LOGO competition. They would like the children to design a logo for them. Entries need to be handed in to the office by Friday 9th June. I look forward to seeing all of their ideas.
- A second hand uniform sale will be held on Friday 30th June. This will hopefully be held on the playground, weather permitting. It is a good idea to try to get some cheaper jumpers and cardigans for the summer term as we have a new supplier for September who is offering lower prices for parents who order online. It will also be the expectation that all jumpers and cardigans have the school logo on so we don't want you to waste money buying new uniform now. We hope this helps!
- A Summer Tea Party will be held on Friday 7th July. More information to follow.
- Sports Day Refreshments will be available. Sports Day this year is Friday 14th July. Fingers crossed for good weather.
- More information will also be coming out about the end of year disco. So look out for that!

The Friends are still looking for volunteers or anyone who is available to offer a helping hand on any of those dates.

Weather Update

As the weather has been lovely this week and hopefully it will continue, can I remind parents that the children can bring hats and shades to wear at break and lunch time.

It is also advisable to apply some sun cream to their arms and faces before coming to school in the morning as an extra layer of protection.

Children are able to fill water bottles throughout the day so please remember to send a bottle in for them to use as staying hydrated is extremely important when it is warm. Let's all enjoy the sun safely.

Staffing Update

Last week we interviewed for our two vacancies ready for September. We appointed Mrs Stacey Mann to work in KS1. Mrs Mann has held her QTS for some time now and has shown she is ready to have her own class. She is a dedicated member of staff and we are lucky to have her.

We also appointed Mr Ashley Palin, who currently works at Millbrook Primary. He will be teaching in KS2 and will take responsibility for leading maths across the school. Mrs Lockley has worked with Mr Palin before and is very excited about what he will bring to strengthen our already dedicated and passionate teaching team.

Dates for your diary

Half term: Monday 29th May - Friday 2nd June

PD day: Monday 5th June (Children return to school Tuesday 6th June)

| Summer term class assemblies - Monday afternoon at 2:30pm | |
