The Friends of Aqueduct Primary School

- The LOGO competition date to submit your entries has been extended until Friday 14th July. The friends are keen to get as many design entries as possible and involve all the children.
- They are busy preparing for the many events being held this term and would be grateful for any help you may be able to offer even if it's just an hour!

Attendance

As a school our attendance target is 96%. In Monday's assembly the children find out about the class with the highest attendance that week and how close we are to our school target so we think it is important to share this with you too. This half term so far the winners of the attendance awards are as follows:

Week 1 (100%) Miss Plowman's class
Week 2 (97.86%) Miss Cadwallader's class
Week 3 (99.57%) Miss Larlham's class

Online safety

As children are getting older and having mobile phones and tablets at home, I would like to take this opportunity to remind you about the support and information for parents and children that is available. Please see below for some useful information.

www.childrenscommissioner.gov.uk 'Growing up digital' This report outlines guidance for what we as a school and you as parents should be doing in order to equip our children with the necessary skills to keep themselves safe on the internet.

The Telford Safeguarding Board website has lots of useful information and guides for parents and carers about online safety. You can find this information through the link below.

http://www.telfordsafeguardingboard.org.uk/lscb/info/11/i_am_a_child_or_young_person/11/online_safety/2

School Uniform

It is good to see some parents have already started using our new online ordering service for school uniform. If you are planning to order new uniform for the September term can we remind you to order as soon as possible to ensure delivery in time for the end of term.

To order just go to <http://shop.schooluniformfactory.co.uk>
