## Aqueduct Primary School July 2017

### The Friends of Aqueduct Primary School

We would like to say a HUGE thank you to the Friends. They have done a wonderful job this year of providing your children with additional activities, celebrations and resources.

They do a fantastic job and would welcome any further support in the New Year. They also have a Facebook page so search for Friends of Aqueduct Primary

Thank  
you

### Attendance

The children have had attendance certificates in assembly today for 100% in the summer term and across the whole year. 35 children had 100% attendance for the year and received a £5 gift voucher. Well done!

### Goodbye

Today we said goodbye to Mr and Mrs Simmons who have been at Aqueduct Primary for over 20 years each. They have made a positive impact on our school and will be greatly missed. The staff and governors have sent them off for a weekend in a spa in the Lake District to help them to start their relaxing retirement.

We also said goodbye to our wonderful year 6 pupils. There have been lots of tears but have all promised to come back and visit. We wish them luck for the future.

### Message from the Headteacher

I would like to say a massive thank you for making my first year with you a very special and positive one. You have welcomed me and spent time getting to know me which has been wonderful. Please remember my door is always open, there is always time in the week for me to listen to your ideas and suggestions and I welcome them.

I am very much hoping that I will be here for many more years to watch your children grow and achieve their potential. Have a wonderful, relaxing holiday. I look forward to seeing you all again in September on Tuesday 5<sup>th</sup>.
