

# Aqueduct Primary School March 2018

*Building tomorrow, leading the way.*

## World Book Day 2018

For this year's World Book Day we celebrated by sitting comfortably in our pyjamas and snuggling up with a good book. Thank you to everyone who donated books for the second hand book sale, the children all enjoyed it and raised £47.35.

At story time each class got the opportunity to share a story with a different teacher. The teachers chose their favourite story book and shared why it is special to them.

## Y5/6 Mexican Day

Last Friday the year 5 and 6 pupils held their topic theme day. They have been learning about Mexican History. They researched the flags origin and they even made their own chilli and salsa from scratch.

The children learned about 'The Day of the Dead' celebrated in Mexico to remember their lost ones. They made papier Mache masks to represent the how Mexicans paint their faces.

This Friday will be the Year 3 and 4 pupils turn to find out all about the Greeks in their topic theme day. They will be tasting Greek food and looking at stories associated with Greek Mythology.

Building tomorrow, leading the way.

CHARTER STANDARD SCHOOLS

## Messages

By now you should have all had copies of the summer term after school clubs on offer. Please can you make sure you have returned your slips for a place at a club after Easter by the end of the day on Friday. Slips will be sent out when we get back after Easter for the next half term.

## FOAPS

At the last Friends meeting we decided on dates for future activities. They have advertised an Easter Bonnet competition. We are looking forward to seeing all of the wonderful entries. Get as creative as you like and show us what Easter means to you.

The last date for entries is Wednesday 28th March.

## Science Week

This week the pupils have been carrying out lots of interesting and exciting investigations. We also had a visit from the Science teachers from Madeley Court who showed them lots of simple scientific experiments. The children loved it when they got the rocket stuck!

## Y1/2 Parent reading session

This session was a great success with all parents who attended leaving a positive comment in their child's book. Some comments were 'Very impressed with how my child is doing'.

'I really enjoyed today's session and look forward to further involvement with guided reading sessions'.

'The children have independence throughout the session alongside support from teachers and assistants, a challenging session for the children - Great morning'.

'Lovely to see the reading session, lots of interaction from the teacher, very relaxed and enjoyable to watch and be part of.'
