## Parental Involvement

We would like to say a big Thank You to all parents who have been involved with school events this half term. We appreciated the volunteers with a DBS who walked to the church for Harvest and all the parents who attended the Harvest Festival.

Thank You to all parents who attended the Phonic Workshop for Reception children. It was wonderful to see so many there. We had such positive feedback.

'It's good to know what and how the children are learning so we can encourage extra practise at home.'

'I found this very useful and really enjoyed understanding my child's learning and how to help at home.'

'Really useful session.'

If you couldn't attend and would like information on how we teach phonics and how you can support, then please contact Mrs Clarke, the school reading lead.

Thank you to all the parents who helped to plan, organise and help at the school Halloween disco. FOAPs were able to raise £516.

Last term the FOAPs asked children what they would like to spend the money collected over that year on. The children chose an adventure trail. This trail has now been ordered and is due to be fitted on the grass next to the basketball court before Christmas.

## Class Dojo

We are keen to continue to use the Class Dojo system to report the positive feedback and rewards that your children receive throughout the day. We appreciate that you enjoy the updates, photos and reminders that you also receive through the app. However, we are asking parents once again **NOT** to directly message the teacher. We try to encourage a healthy work life balance for our teachers, and part of this is not having the additional expectation to directly reply to parents. If you have a question, wish to report an absence or would like an appointment with the teacher, **PLEASE** either call the main office or fill out the contact form on the school website. Please do not be offended if you have messaged a teacher and not had a reply. Teachers do not often check this part of the programme.

## School Council

The school council have decided that their next project is to raise funds for an Emergency Defibrillator which will be situated outside the office. In order to do this they would like to start to offer **toast** again on **Tuesday** and **Thursdays**. This was a successful project last year that the year 6's organised in order to raise money for their end of term treat. As this is a fundraiser, this will not be available on ParentPay and the children will need to bring their **20p** in each week for their slice of toast which will be available at breaktimes. We are very proud of our School Councillors and their innovative plan.

## ATTENDANCE

Whole school target 96%

Week 1 (4.9.19 - 6.9.19) - Mrs Duppa, Miss Griffiths, Miss Cadwallader & Mr Evans - 100%

Week 2 (9.9.19 - 13.9.19) - Miss Griffiths - 100%
