Thank You

Firstly, on behalf of all staff in school, we would like to say thank you for the support you have shown through this difficult time. Last week the teachers made phone calls home and shared feedback from these calls. Where there was no answer, they have either tried again or left a message on available voicemails. If you have not heard from your child's class teacher and have not received a voicemail message, please contact the school to check we have the correct details and to arrange a phone call from your child's teacher.

The teachers were pleased to be able to speak to the children where possible and feedback shows that parents are happy with the home learning being set. Parents were able to request new log in details for TTRS or Purple Mash and teachers were able to answer any outstanding questions about the learning provided. Please remember that we are in school daily and you can call the school office if you have any questions. We are here to help.

Staffing

I am pleased to be able to announce that Miss Cadwallader and her partner are expecting a baby. Miss Cadwallader is due in August but is protecting herself and her unborn child safely at home. She is very happy to be able to continue to set work for the children weekly and to communicate through the class story. I am sure she would appreciate some messages of congratulations. We currently have an advert out for a teacher to cover her maternity leave and interviews for this are next week. We will keep you posted.

Whilst we have been on lockdown, Mr Rob Key, our caretaker, started his new job at Telford Park School. This is a promoted opportunity for Rob, and we wish him well. In the meantime, we have a gentleman called Damian who is covering his post until the Local Authority can find a substantive caretaker to fill his role. Again, we will keep you posted.

In September, we have a new Sports Leader who will be joining us. Mr Joshua Hall completed his Sports Leader training at John Fletcher of Madeley and is excited to be joining us in September. I am sure that Mr Evans will do a great job of showing him the ropes and helping him to settle in.

Feedback

We appreciate your feedback and have always considered parental voice important for us as a school. We would appreciate it if you could complete the survey below. This survey is anonymous but will greatly help us to understand your thoughts at this difficult time.

Please complete this survey by Friday 15th May 2020.

For now, stay safe 😊

We will be in contact again as soon as we have any further information about the reopening of schools.
