(Third Edition)

Welcome back

Thank you to everyone who continues to follow the social distancing rules and the one way systems we are able to have in place in many areas of the school. In order to increase the distance between Reception and KSI parents, from Monday the path round the back of the reception play area will be the way that you will be asked to leave the KSI playground area. This way parents do not have to cross over at the gates. Thank you to the lovely parent who suggested this and presented her idea to us. We love to hear your solution focused ideas.

We are always trying to find ways to improve our communication with you and have also been considering what information you as parents like to receive. As the world changes and more and more is becoming paperless, we have decided to do our bit to help out.

From Monday 5th October we will not be sending any more paper copies of letters or newsletters. These will all come to you via e-mail. (A copy will continue to be saved on the school website.) We all have mobile smart phones if we don't have computers or laptops and most of us are used to working this way. As we already use ParentPay in school, we will be utilizing the e-mail option they also offer. However, there are still a few of you who are yet to register with ParentPay and will need to do so before the 5th October to receive letters. Your child will have come home with a letter today with your unique activation username and password. Any questions please ask the office. Thank you.
