

Friends of Aqueduct Primary School

15 October 2020

Dear Parent / Carers

We hope the children have all settled back into school after returning earlier this term.

For new parents joining the school, the Friends of Aqueduct Primary School (FOAPS) are a group of parents (and can also include relatives and members of the local community) who arrange fun events and activities for the children and their families with a goal of raising funds for the school.

As a parent of a child who attends the school you are automatically a member of the Friends of Aqueduct Primary School (together with all of the staff). However a core committee of at least 8 members (including the core roles of Chair, Treasurer and Secretary) are formed each school year at our Annual General Meeting to begin to arrange these events alongside additional volunteers.

We recently held our virtual AGM however we were unable to formally form a new committee at this time. We have therefore arranged a further date to hold our AGM and form a new committee on **Tuesday 26th January 2021 at 6pm**. We will advise closer to the date whether this meeting will be held virtually via Zoom or in person depending on the current Government guidelines at that time.

It was agreed however that due to the current Covid 19 situation and Government guidelines that we will be unable to hold any events for at least this school term.

We know that this is disappointing however the health and safety of the children, families and staff is the most important thing at this time and FOAPS will return with fun events for the children and their families when it is safe to do so.

Kind regards

Friends of Aqueduct Primary School
