November 2020  
(First Edition)

## Welcome Back

We hope everyone had a good half term break and have come back refreshed and ready for the second half of the Autumn term.

## Thank You

Thank you to everyone who has been wearing face coverings whilst on school grounds. It is all part of looking out for each other in these difficult times.

### Attendance

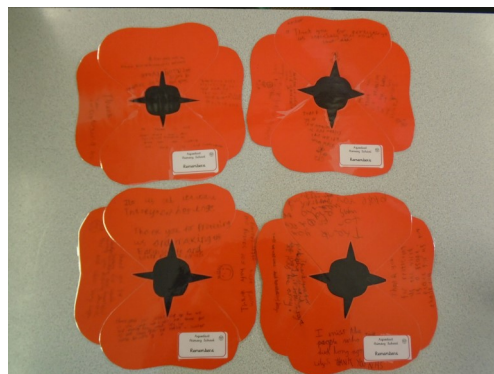

Well done to the following class for their brilliant attendance in the first week of this half term:

Week 1 (2.11.20—6.11.20) 3.9.20—4.9.20) - Mr Palin 97.67%.

Will any class manage the magical  
Next week?

### School Council Poppies

Has anyone spotted any of the poppies that our School Council have been placing in and around the neighborhood? (With a little help from a certain tall teacher—thank you Mr Palin)

### Menus

Just to remind you that we no longer need to use the Temporary Menus. The full menus were sent out this week and there is also a copy on the school website.

Week commencing 9th November is Week 2
