Safety

As you know, our value this half term has been safety. The children have all been brilliant at understanding the need to be safe in school so it saddens me to hear of the near miss on the main road by the traffic lights on Friday.

Parents, please make sure that your children are close to you and preferably holding your hand when you are anywhere near the main road.

Children, please remember to stay safe when near the roads or whilst you are not on school grounds. It would be tragic if there was a fatal or near fatal accident for anyone in our community. Thank you.

Holiday Celebrations

This last week is one full of cheer and happiness.

Christmas Dinner—Wednesday 16th December. Wear your best Christmas Jumper with school trousers/skirt and shoes or full Christmas Dress/Suit with school shoes.

Celebration parties—Thursday 17th December. Thank you for the food donations.

End of half term treat morning—Friday 18th December. This is provided by the school for all children who have followed our school rules this half term.

This week your child will come home with their craft projects they have been working on, their Christmas cards which will be sorted and handed out on Friday, a chocolate selection box courtesy of our wonderful FOAPS and a calendar, lovingly created by all the children and staff and funded by the Dawley Hamlets Parish Council as our gift to all our families. I would recommend that the children bring a carrier bag to hold all their gifts on the last couple of days of term.

Although staff are in school on Monday 4th of January, the children return to school on Tuesday 5th of January.

We wish you all happy holidays and hope that you get to spend some quality time with your loved ones. Remember, Christmas isn't all about the presents, it's sometimes just about joy and peace and spending time with family and friends. Be safe and careful.
