

Home Learning—Year 3/4—WB 22.2.21

The home learning below is supported by videos and presentations with the voice overs of teachers. Extra information may also be posted on the Class Dojo. Please upload evidence to your portfolio or comment on the dojo posts to tell us what you have been doing! We are tracking the work done daily and anyone who we do not see any evidence from will be contacted to see if there is anyway we can support.

PE					
Throughout the week make sure you stay active for your PE lessons! This is not only good for your body but also your mental health! Go for a walk, jog or even try some indoor work outs! Get your heart pumping and do something active! Don't forget to tell us about it or post pictures on the dojo!					

Weekly Messages

The home learning can be carried out in books or on spare paper. It does not need to be printed out. Rough sketched or drawings are perfectly acceptable. Should you need any paper or anything, please do contact us and we will do our best to support you.

Please remember to upload some evidence to your dojo portfolio even if this is a picture of you watching the BBC resources or doing a home experience such as cooking or cleaning to help around the house! As we are tracking daily the engagement of children, any evidence is good even if it is a comment on the Class Dojo!

Thank you and stay safe!
