Getting involved

We would like to invite parents to become more involved in knowing, understanding and contributing to what happens in school. Therefore we are asking for parent volunteers from each class to make up a parent working party. Refreshments will be provided!

This working party would meet once a term to discuss recent government developments related to schools, look at new policies and learn more about what happens in school and why it happens. We feel that these parents would also be able to provide us with constructive feedback and suggestions for how we can continue to make positive improvements which impact your children.

If you would like to get involved please contact us. You can email using a2175@taw.org.uk or catch Mrs Lockley or Mrs Clarke on the playground to discuss further. Thank you in advance for your interest in this exciting opportunity.

Our School Website

When was the last time you looked at the school website?

Did you know that there is a wealth of information about our curriculum, themes, maps, use of additional funding, recovery curriculum plans, important term dates, pictures of children learning, information about our wellbeing committee and priorities and much, much more.

Anti-Bullying Log Competition

Congratulations to Lily Green for her successful design for anti-bullying. We had some great entries and the decision was a hard one, but we love how she has incorporated all of our school values.

Other news.

Could you foster?

Nexus Fostering is a well-established and highly regarded fostering agency, based in Telford, who are urgently seeking full-time & respite foster carers throughout the area. The agency is rated Ofsted 'Outstanding' in all areas and place a high premium on the quality of support and care that they provide to every one of the foster carers and, in turn, the children and young people placed with them.
