School Business Manager: Mrs T Smith

Tuesday 15th June 2021

Dear Parent/Carer,

Following the announcement yesterday regarding restrictions not being lifted as we had all hoped, it is with a heavy heart that we have to cancel our planned new reception open evening.

As all schools are responding to daily government advice, we are also unable to provide you with the usual timetable for school induction sessions we would normally hold with you in the summer term. The health and safety of your family and our school community are priority. However, please be assured we are monitoring the situation closely and will be ready to start welcoming you properly as soon as we are able. Luckily, we have been able to conduct our visits or have remote conversations with the nurseries your children currently attend and have lots of information about them.

We would like to direct you to the 'Starting School' section of our website, <http://www.aqueductprimary.co.uk/> where you will find a presentation to show you what your child's classroom is like and you can access the 'Welcome' presentation we would normally show at the open evening.

Please keep a look out for our updated 'Welcome to Aqueduct' video which will show you what our reception class currently looks like and will show you some learning in action, which we hope to be uploading next week.

In the coming weeks we will be delivering induction packs with key information and forms which will need returning to the school at your earliest convenience. We will use the email, phone numbers and postal addresses you provided to the Local Authority when you applied for a school place. If you need to update any of the details, please contact the school office on 01952 386210 or e-mail us via A2175@taw.org.uk You can also use this dedicated email address if you have any questions you would like answering in the meantime. The Early Years Leader and I will be happy to assist you in any way we can.

We are so proud of how closely we work with our families to support the education and wellbeing of our pupils. We fully understand some of the questions or concerns you may have. We will give every effort to helping your child settle into school life quickly and happily.

Thank you for choosing Aqueduct and welcome to our school community; we cannot wait to meet your little stars as they start their seven-year adventure with us.

Yours Faithfully,

Mrs Tammy Lockley
Head Teacher
