Olivia's Journey

Just4Children are fundraising for Olivia to have Selective Dorsal Rhizotomy (SDR) surgery, physiotherapy and then any equipment or mobility aids post surgery that will assist in her mobility.

Olivia is aged 5 and was born prematurely at 28 weeks in May 2016 weighing 3lb 2oz. She was in hospital for just over 10 weeks and had to battle various infections such as sepsis, necrotizing enterocolitis (nec), chest infections and more.

In December 2016 Olivia had an MRI scan and was later diagnosed with Bilateral spastic cerebral palsy. Olivia suffers with severe muscle tightness in her lower body and as a result is in constant pain and discomfort.

Olivia is now 5 years old and has been put forward to have life changing surgery called Selective Dorsal Rhizotomy (SDR) which will help reduce tightness in her legs drastically and will help her mobility in the future.

She will also need a further 2 years of intense physiotherapy and any further specialist equipment that will help her reach her goal of one day walking.

Unfortunately, the surgery and Intense physiotherapy is not funded by the NHS.

Any help would be greatly appreciated.

As a school we will be organising some more fundraising for later in the year. **Watch this space!**

Suicide Intervention Workshop

(Course code: 7932102)

Leegomery Community Centre
Wednesday 1st December & Thursday 2nd December 2021

ASIST is a 2 day workshop that teaches people how to support someone who is experiencing thoughts of suicide. The workshop deals with this subject in an appropriate way and will empower people to be confident and comfortable talking about suicide, asking people clearly and directly about suicide, and how to structure an intervention to help keep a person safe.

The workshop is internationally renowned and people who have completed it have saved many lives from suicide.

You must be able to attend on both days and for the whole time from 8.30am to 5pm.

For more information, or to register your interest, please contact
Adult Community Learning on 01952 382888

Please note registering your interest does not guarantee a place on this course.
You must attend the first session and complete an enrolment form to secure a place

Music Lessons

Spaces Available

We still have a few spaces available for piano, guitar or drum lessons.

Interested?

You can request a free taster session!

Ask at the office or just send us an e-mail to enquire.

COVID INSTRUCTIONS FOR HALF TERM

If your child receives a positive PCR for Covid-19 during the holiday, please report it using the 'Contact Form' on the school website. <http://www.aqueductprimary.co.uk/contact-us/> as this is the only mailbox monitored over the holidays.

If you have a family member who is positive, please can your children take daily lateral flow tests upon returning to school and during the 10 days following the positive result. Please also report these cases to us through the contact form.

FUTURE PLANS

We are working closely with the Health Protection Hub for advice and guidance to help to make the decisions about Christmas Performances due to the rising cases in Telford & Wrekin. We will share more information about this when we have some. Thank you.
