

SPORTS PREMIUM SPENDING PLAN

Subject lead Robbie Evans

Physical Education 2020-2021

Academic year: 2020-2021	Total sports premium budget: £18,090	Total number of pupils: 239	
Identification of need/Measurable outcome. (visit, review, CPD, data, etc)	Action	Implication (Time/cost) (add dates where possible)	Impact Emma Williams (7 th July visit)
Recognition of staff CPD and increase in subject knowledge	Employment of sports leader and appropriate deployment (JH) JH to lead PE sessions alongside teachers to provide high quality CPD	£12,000	High quality outdoor PE delivered, and staff increased confidence observing a specialist PE teacher.
Identification for tracking progress	Employment of sports leader and appropriate deployment (JH) JH to create an assessment tracker		Assessment document completed by JH - JH to assess children once a term and fill out
Cross curriculum links to PE	JH working alongside and supporting most vulnerable children within classroom environment to help develop relationships with afternoon PE lessons.		HRE taught once a year throughout the school with strong links to how the heart works and why we need to warm up. PE linked to picture news - discussions included the Euro competition and links to British values Link governor (7 th July monitoring) "Discussions around Sports Day and Intra-house competitions and the links to British Values, "picture days" and other events throughout the year to really increase knowledge of PE, health and physical activity was enjoyable to listen to and I felt the school were successfully providing vast opportunities in the school for pupils."
Transport to external competitions		£1000 (carried over to 21-22)	Transport to competitions not happened as much as possible due to COVID
Purchase of new sporting equipment: <ul style="list-style-type: none"> • Tennis balls • KSI soft balls • Inflatable balls 	JH to deploy equipment where needed (break, lunches, reception learning and PE sessions) and use within PE sessions to increase engagement and progress.	£1000	Equipment used to support high quality teaching of PE and engage children at lunchtimes.

			Link governor (7 th July monitoring) "Purchased equipment supports SEN pupils in participation"
Increase participation of girl's football	All KS2 have had an opportunity to participate in external Girl's football matches. Also, purchase of boots, shin pads and goalkeeper gloves for first time players without equipment	£200	Participation has increased, however numbers would have been greater without COVID - to be continued next year Link governor (7 th July monitoring) "I was impressed to see a target achieved for the increase in participation of girls PE"
Daily mile track and new playground markings	To be fitted in school WB 14.9.20 To improve whole school exercise and mental wellbeing (used for brain breaks during lessons)	£6000 PE budget: £3,890	Increase in exercise throughout the entire school! Children are using the track daily to exercise and socialise with friends Link governor (7 th July monitoring) It was great to see where some of the funding had been spent including the daily mile track, which has increased the physical activity of pupils."
Inter-house competitions at end of each PE unit in PE houses			Started prior to Christmas however cancelled due to Covid and lockdown - To be picked up again and continued in 21-22 year
Hosting virtual sporting competitions through TAWSSP	KS1 and KS2 sports hall athletics. KS1 and KS2 cross country.		Virtual events were being completed before entering lockdown
