Suggested Home Experience

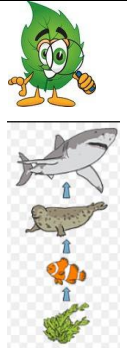

Our afternoon lessons this week have had a focus around the subject science. In year one we have had a look at the weather and the different seasons. We even used a green screen to create our own weather report.

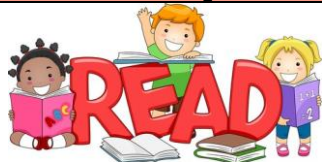

Year 2 have been studying plants and learning about underwater food chains.

For your suggested homework this week can you create your own weather diary or a seasonal poster?

You might even want to research and create an underwater food chain of your own.

Please continue to read at least three times a week at home. Keep a log in your Reading Record so that you can collect stickers on your bookmark.
