

SPORTS PREMIUM SPENDING ACTION PLAN

PE subject lead: Robbie Evans

2021 - 2022

Identification of need/Measurable outcome. (visit, review, CPD, data, etc)	Action	Implication (Time/cost) (add dates where possible)	Impact
All year groups to have a clear plan of the skills that will be taught, what was taught before and what is being taught in the next year group.	Cycle 1 document to be shared with staff	Staff will be aware of the PE curriculum overall and are able to discuss any sports they are unsure of which can then be addressed in the next action point.	KSI staff now confident in delivering indoor PE, many positive comments about how many new ideas they have been given and how it has inspired them to come up with their own lessons. Huge improvement in structure of a PE lesson. Allowed JG to create her own unit of work for Adventure and activities Summer 2.
All staff given opportunity to improve PE subject knowledge and teaching of subject	<p>KSI indoor PE planning to be provided for CPD - lessons plan created by RE to be shared and discussed with KSI staff members</p> <p>KS2 indoor PE planning to communicate with RE</p> <p>KSI member to be sent on gymnastics CPD (30th November)</p> <p>Employment of sports leader and appropriate deployment (JH) JH to lead PE sessions alongside teachers to provide high quality CPD</p>	<p>RE to have time out to plan units of work for KSI</p> <p>Paid for through the TWSSP (£2,628)</p> <p>£10,000</p>	KSI staff now confident in delivering indoor PE, many positive comments about how many new ideas they have been given and how it has inspired them to come up with their own lessons. Huge improvement in structure of a PE lesson. Allowed JG to create her own unit of work for Adventure and activities Summer 2.
Staff to attend PE/sport specific CPD provided by Telford &	KSI member to be sent on gymnastics CPD (30 th November)		JP attended ECT PE CPD (9.11.21) 'This course provided

Wrekin School Sports Partnership.	JP attend PE course		me with a good foundation for teaching PE and gave me some new ideas to implement into my lessons. It also supported me in improving plenaries'
Resources to be up to date and accessible.	Audit of equipment and identify any equipment that needs replacing (JH to complete audit of equipment by 22 nd October and provide a list of equipment needed)	PE can continue to be taught to a high standard with enough high-quality equipment accessible to all £3000- equipment	New equipment purchased to enhance the quality of all PE lessons.
Transport to external competitions		£3000	Transport to competitions has given enhanced, competitive sporting opportunities to a wide range of children throughout school (SEND, PPG, Girls).
Website gallery updated	Pictures of Sports days and PE lessons/events to be uploaded to school website (sent to RM - IT technician)		Some photos in gallery, more to be added
