Friday 8th September 2023

Dear Parents and Carers,

The School Museums are coming to show us about Anglo Saxons

Our history topic for Autumn term will be Anglo Saxon and Scots. With this trip we have endeavoured to keep costs down especially with this being the first experience of the year so have chosen for the experience to be brought to us.

To ensure the best learning experience for our students, we have invited an expert educator in the field to conduct the workshop. Additionally, our school staff will be actively involved, ensuring a safe and enriching environment for all participants.

In this workshop the class will have a chance to 'discover' the burial site of a rich Anglo-Saxon. Learning about archaeology they will investigate the grave goods found with the body and learn which materials will have survived in the ground and which have rotted away. Using the clues, they will recreate a scene from Anglo-Saxon times learning what Anglo-Saxon people wore, ate and what they did all day!

We encourage you to support your child's involvement in this workshop, as it promises to be an unforgettable learning experience. By participating, students will not only broaden their historical knowledge but also develop critical thinking, teamwork, and problem-solving skills.

The workshop will take place on **Thursday 28th September** in school. To cover the costs of this workshop, there will be a contribution for the experience of **£3.50** payable via Parent Pay, please can this be paid by **Friday 22nd September**. As always, the workshop will be subject to cancellation if we do not receive sufficient contributions.

Please do not hesitate to come and see us if you have any concerns or questions.

Thank you for your continued support.

Mr. Parker/ Miss Santopietro / Mrs. Aspinall
