This year we had 9 children who achieved 100% attendance for the whole year. They received a certificate and a voucher. Well done.

## School Council

Today The Severn Hospice came to collect the money that we as a school raised during this year for our chosen school charity. We feel that The Severn Hospice is a well deserved charity, with many of our children and staff having had personal experiences of the charity. We raised a massive £560.

The School Council did a wonderful job this year of organising the raffle, and also worked with the kitchen staff to change the school menu.

Well done to anyone who has been a School Councillor this year, we look forward to seeing who is chosen next year.

## Reminder of School Times for September

Earlier this year we consulted with all stakeholders about the timings of the school day. We would like to remind you that the school day in September begins at **9am** and ends at **3:30pm**. The doors open at 8:45am and close promptly at 9am. If you arrive after this time, you will have to sign in at the office and will receive a late mark. After school clubs will now finish at 4:30pm rather than 4:15pm.

The after school club timetable for September is now on ParentPay and ready to be booked. There will be no clubs in the first week so that registers can be created and resources and lessons can be organised. Thank you for your continued support.

## **Staffing**

Last month we promised you an update on who the new Sports Leader would be.

I would like to introduce you to Miss Poppy Register. She has completed two years at Newport Girls High School and has already shared a variety of wonderful new ideas with us, including teaching us all how to play 'Kinball'. It looks like so much fun and she will be offering this as an after school club next term. We know that you will all make her feel welcome.

Mr Hall will remain with us until Friday 22nd September and will ensure a smooth transition handover to Miss Register.

## **Happy Holidays**

We had Billy Bear visit yesterday to remind the children of the 'Keeping 'Safe' lessons they have all had this half term. They included work on staying safe online and recognising and risks, road safety, stranger danger and anti bullying/anti social behaviour. He wanted to ask the children to stay safe over the holidays and looks forward to seeing them all in September.

## **Farewell**

It is with sadness that we say goodbye and good luck to our wonderful Year 6's.

We hope that they take everything they have learned whilst with us and continue to show their secondary schools that they really are 'Building tomorrow and leading the way'.

We wish them luck and hope to see them again so that they can continue to share their achievements with us.
