TOAST

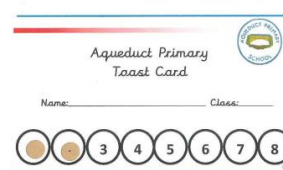

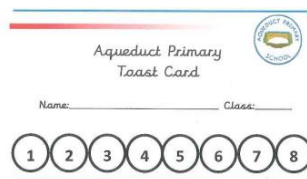

17th November 2023

Dear Parents/Carers,

We will once more be selling toast, raising money for our Year 6 children's special end of year treat. The toast stall will be run by the Year 6 students, on a rota basis supervised by an adult. The price remains 20p a slice, however, as we aim to be a cash free school, we will this year be selling "Toast Cards" that can be bought via ParentPay. Card's can be purchased for £1.60 (8 pieces of toast).

How the toast card will work:

- Cards can be purchased from Monday to Sunday for the following week.
- Each Monday all cards purchased by Sunday evening will be delivered to children in their classes.
- Toast will be available to buy on Wednesdays and Fridays (except for the week before the Christmas break when toast will be on sale on Wednesday 20th Dec and Thursday 21st Dec).
- Each time your child purchases a piece of toast their Toast Card will have a hole punched showing a piece of toast has been bought (Toast card shown below).
- It is each child's responsibility to keep their toast card safe in their class drawer until all pieces of toast have been purchased.

Toast cards will always be available to purchase on ParentPay. However only cards purchased by Sunday evening will be delivered to children for the following week. The office will not be able to process any further toast cards during the week.

Yours sincerely
Aqueduct Primary School
