The National Space Centre - Year 5 & 6 Visit

Dear Parents/Carers

For our Science topic in the Spring term, we are planning on visiting The National Space Centre, Leicester. This trip will take place on **Friday 26th January 2024**. The children will need to arrive in school for 7:45am prompt as we will be setting off by 8:00am. We will arrive back at school at approximately 5:30pm, we will update on the day via Class Dojo & Twitter.

We will require the children to come to school in their school uniform. In addition to this, they will need to wear sensible/comfortable shoes. All children will need a packed lunch, or a school sandwich can be ordered in advance via ParentPay. It is advised that they bring their lunch in a carrier or paper bag which can be easily disposed of so that they do not have to carry their lunchbox throughout the day. A maximum of £10 spending money may be brought with the children on the day (if you choose) as there may be the opportunity for children to visit the gift shop.

The cost of the trip is £26.00. Although this seems a lot of money, this will be the only trip they will attend during the Spring term. The cost of this trip includes the entry fee, a visit to the planetarium and the cost of the transport. This will need to be paid via ParentPay in full or via instalments, with the first instalment of £10 due by 30th November, a further £10 due by 30th December and the final £6 due by 19th January 2024. Please contact the school office if you have any concerns or difficulties covering the payment.

I hope that we are giving you plenty of notice. This will be a great opportunity for the children to explore a space experience ready for a fun half term of learning. As always if enough interest is not received and the trip is not financially viable it will have to be cancelled.

Yours sincerely,

Mr Evans, Miss Larlham, Mr Palin and Miss Roberts-Brooks
