Monday 8th January 2024

Dear Parent/Carer,

We will be continuing the before and after school tuition interventions for reading, writing and maths this term. The children invited will be sent a letter this week when class teachers make a decision on which children will be invited. If your child attended an intervention last term but do not receive a letter this week they do not need to attend.

Please do not be alarmed if your child gets an invite, it just means that we are taking the opportunity of giving them a little extra to support or it could be just to boost their confidence. We also feel that these additional tuition sessions will support your child to address any gaps they may have or to enhance the learning they already receive within the school day and hope that you as parents support this.

The interventions will start the week beginning 15th January 2024. There will be no interventions before or after school during this week.

Thank you for your continued support.

T. Lockley
