Friday 13th September

Year 6 SATs Parent Information Session

Dear Parents/Carers,

As you are aware, year 6 will be taking part in the 2025 National Curriculum Assessments (otherwise known as SATs). We will be hosting two sessions on **Monday 23rd September**. One will be at 3:45 for anyone who can stay on collection of their children and the other at 5:30 for anyone who cannot make the earlier session. Both sessions will be the same and there is no need to attend both.

As part of our preparation for the KS2 SATs and to give us the best head start, we will present you with information regarding the tests and the timetable for SATs week. This year SATs will be held the week beginning Monday 12th May 2024. I am also hoping to have a selection of revision guides that you will be able to order at up to 50% off the price in the shops should you want to explore any further practice for your child.

If you would like to know more about the KS2 SATs and how you can help your child at home, please attend the parents' meeting. The meeting will last around half an hour, and you will be given tips, and the opportunity to see past papers and ask questions.

Please complete and return the below slip. When you arrive, please report to the school office. You are always more than welcome to come and speak to us if you have any questions regarding your child's learning.

Thank you for your continued support.
 Yours faithfully,

Mr Palin
 Assistant Head/Assessment Lead

I, parent/carer of _____ in class _____ would like to attend the SATs information session I have ticked below.
