KSI & KS2 Harvest Festival

Dear Parents and Carers,

*This year's Harvest assembly will take place as a whole school. The impact of the cost-of-living crisis is negatively impacting many in our community, so this year all donations are more important than ever and will once again be going to a good cause that will be gratefully received. Although we appreciate that times are considerably hard at the moment for all, we are kindly asking if you could donate any produce that you can. Please donate tins, bottles or packets of food, but **no** fresh produce please.*

Our collection was a great success last year and The Telford Crisis Support were overwhelmed by your generosity with the items that they received and could not thank us enough.

This year, we would like to share your generosity once again within our community with Telford Crisis Support. Their foodbank and other services have been busier than ever, and they value each donation that is given to them. Together we will be able to support and make a real difference to those in need of a helping hand in our local community. We would welcome any donations from Monday 14th October until Friday 18th October. As they will be collected from school on Monday 21st October, please can we ask for nothing later than Friday 18th October please.

*For more information about the what help is on offer from or what you can do to further support Telford Crisis Support, please visit their website - <https://telfordcrisisupport.org.uk> As always, **thank you** for your support, any questions please do not hesitate to ask your child's class teacher.*

Yours Sincerely,

Miss A Biddulph
