Dear Parents and Guardians,

We're delighted to introduce a brand-new festive fundraiser at our school — **The Christmas Card Project!**

This is the first time we're taking part, and we're really hoping it will be a great success and something we can repeat in future years to create lasting memories for our children and families.

The project gives every child the chance to design their own Christmas-themed artwork, which is then professionally printed onto a wide range of beautiful products. These include:

- Packs of Christmas cards
- Gift labels
- Thank you postcards
- A3 wall calendars
- Jumbo cards
- Magnets and mugs
- Hand-poured scented candles

If your child has taken part, they will be sent home with a proof that includes your child's design. All items are available to order online, making the process simple and convenient for families. Full instructions are included with your child's artwork pack.

#### **Important Deadline:**

Please place your orders by **Sunday 5th October** to ensure your products arrive in time for Christmas. (*Ignore the printed deadline of 2nd October — the correct date is 5th October.*)

This is a fun and rewarding project for the children, and all profits raised will go directly towards future school events and improvements. Your support will make a real difference.

If you have any questions, please feel free to contact Mr. Palin.

Thank you for supporting this exciting new initiative — we can't wait to see the children's creativity come to life!

Warm regards,

Mr Palin
