Year 6 SATs Parent Information Session

Dear Parents/Carers,

As you are aware, year 6 will be taking part in the 2026 National Curriculum Assessments (otherwise known as SATs). As part of our preparation for the KS2 SATs and to give us the best head start, we will be holding parents' information sessions on **Wednesday 21st January at 3:45pm to 4:15pm and at 5:30pm to 6:00pm**. Both sessions will be the same and there is no need to attend both.

These sessions will present you with information regarding the tests and the timetable for SATs week. This year SATs will be held the week beginning Monday 11th May 2026. I will have a selection of revision guides that you will be able to order at up to 50% off the price in the shops should you want to explore any further practice for your child.

If you would like to know more about the KS2 SATs and how you can help your child at home, please attend one of these sessions. The session will last around half an hour, and you will be given tips, and the opportunity to see past papers and ask questions.

Please complete and return the form on the following link <https://forms.office.com/e/mn2LvqhfCi> or QR code below to confirm which session you will be attending. You are always more than welcome to come and speak to us if you have any questions regarding your child's learning.

Thank you for your continued support.

Yours faithfully,

Mr Palin
