Spelling Challenge

Write each word. Cover it up, then re-write it in each colour of the rainbow. **Red, orange, yellow, green, blue, purple.**

These words are what we call red words, so you can't use your sounds to help you spell them. You just need to remember them!

In addition to the home learning above, your child will also has access to Numbots/TTRS. It is also encouraged that you check your child's class dojo page as teachers will post regular communication and updates. It is expected that the daily amount of work completed by your child is 1/2 hours (Reception), 2/3 hours (KS1) and 3/4 hours for KS2 in addition to the usual regular reading..
